A Paws in Time ...
A time to study and a time for friends

It is said that a picture paints a thousand words. At Pearl River, we worked hard. Tons of homework, essays, and finals challenged us beyond our limits. But we had time to pause and reflect on our lives, our friends and the future. And time was generous enough to let those moments last ... for a season. As it is written, "To everything there is a time and purpose under heaven."

We will never forget the moments when our lives crossed paths. When people from different towns, different schools and different backgrounds found the common thread ... in a Paws in Time.

It didn't take long to settle in at our new destination. The seven resident halls on campus became our home away from home. Activities began from the start with our 1994 Homecoming Day. That gave many students a chance to deck out in their Sunday best for a fun filled day of reunions, show choir performances, great food and a lot of memories—some that brought tears. Other activities on campus included the Great American Smokeout, a blood drive, a health fair, the River Extravaganza fund raiser and drama productions.

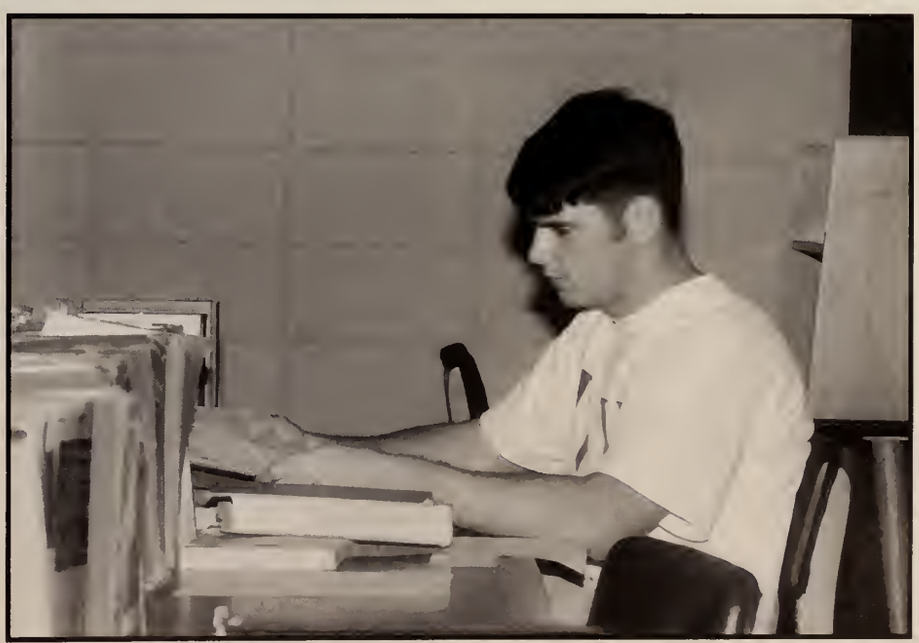
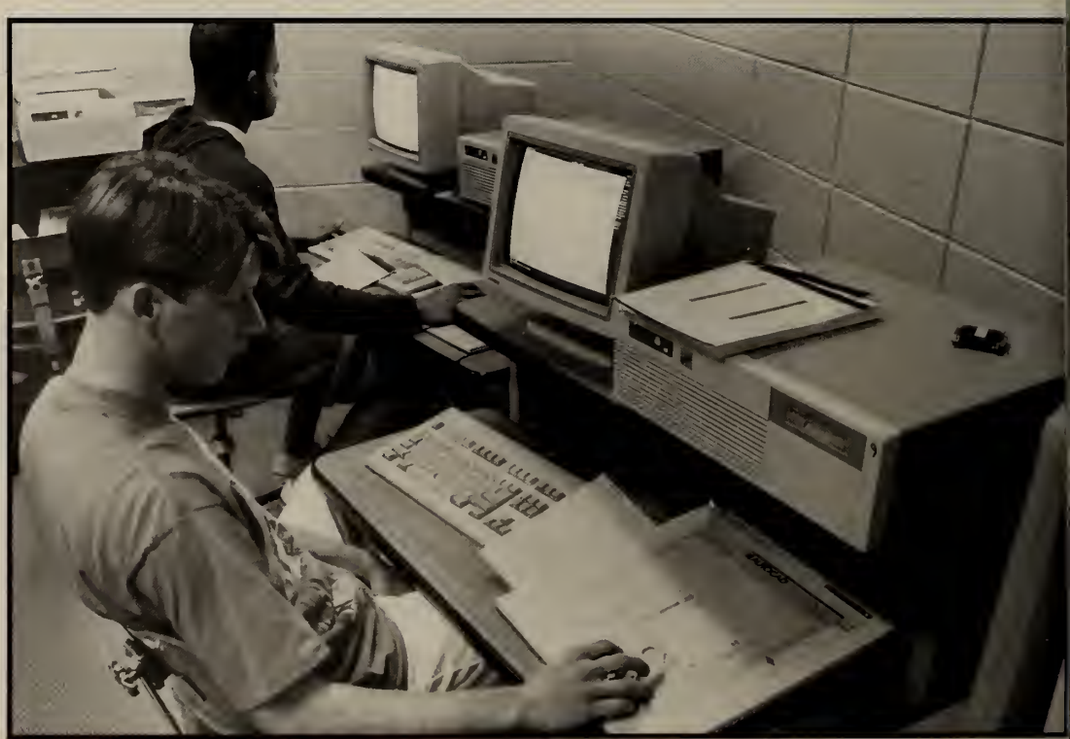
To the left, Marla, Billy and a study partner get together to work on homework in the Library. Bottom Scott Reid uses the Learning Lab.



Above, Glenny Thompson helps Charo Ford with her assignment. Cliff Dedeaux uses the Library's reference section for his English assignment.

Knowledge on Contact

Classrooms at Pearl River reflect diversity in action. PRCC students study in fields ranging from allied health courses, biological science, computerized drafting, and GED preparation. Some members of Project LEAP (Learn, Earn, and Prosper) had a chance to raise their right hand and register to vote. There's something for everyone here at Pearl River.



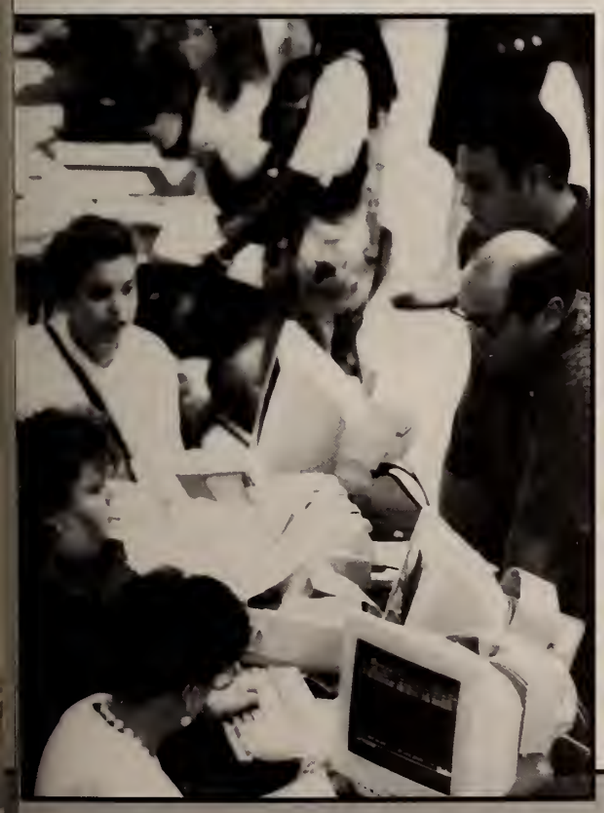
Hanging Out

Above, Danae Saliba and Brian Necaise stopped for a chat before heading off to class. To the right, Dr. Rebecca Askew could not believe her eyes at the tall, green and not so handsome student who walked in her office Halloween day. Actually, it was Keene Golding, a student from Pass Christian. Pictured with Golding are Sharman Ladner, Tiffany Smith, Christina Hatten and Judy Backlin.

At the top of the page, Anna Bales relaxed with friends outside Marion Hall. Above, the Wildcat cheerleaders performed at a pep rally. To the left, students aimed their airplanes at the trash can during halftime of the basketball games. At each Wildcat game students were challenged to "throw for dough" for a $25 cash prize.

The Year Begins With Registration

To the right, a student looked over all the information she was given at registration.



Above, students listened to speakers tell about the many activities offered on campus. To the left, students had their schedules entered into the computer.

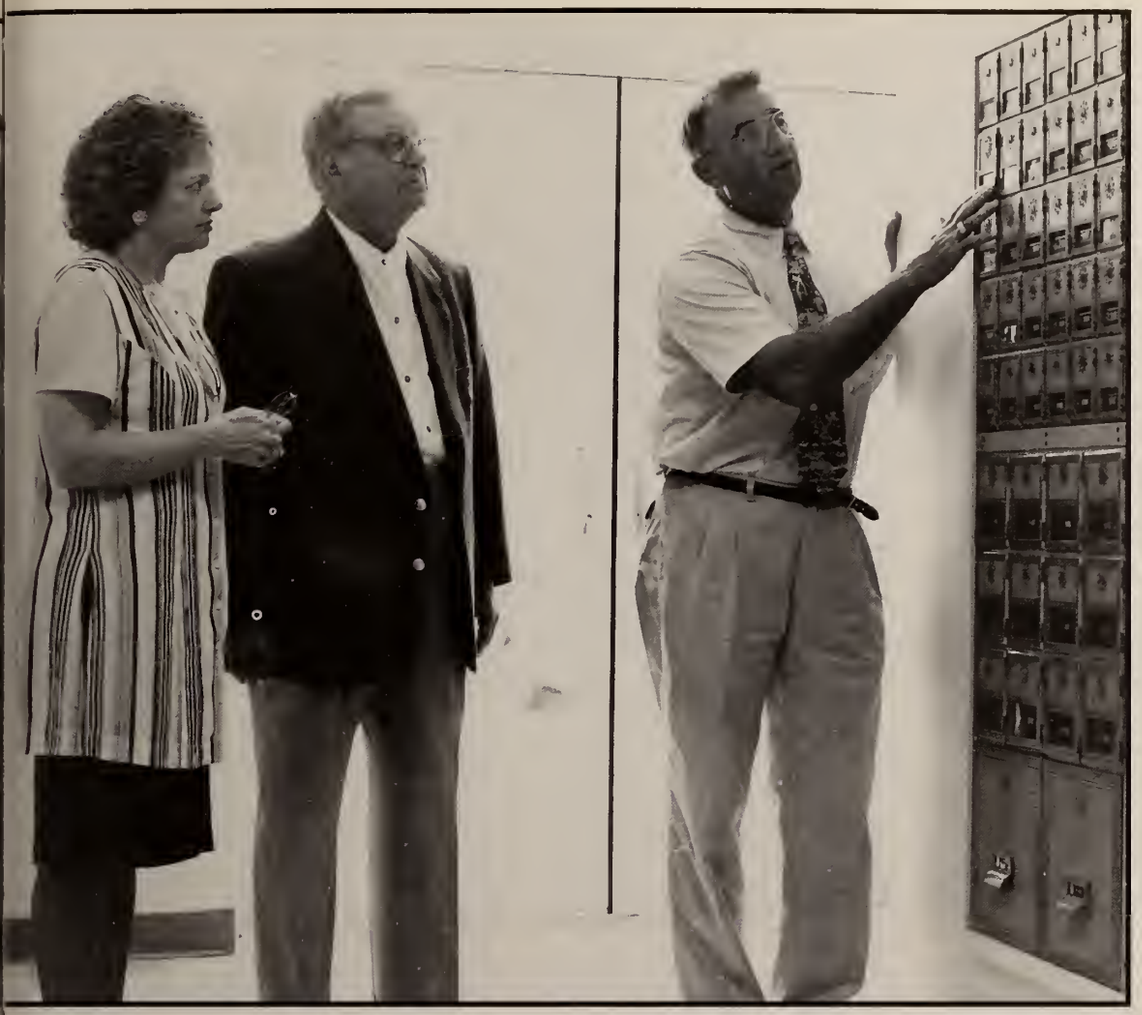
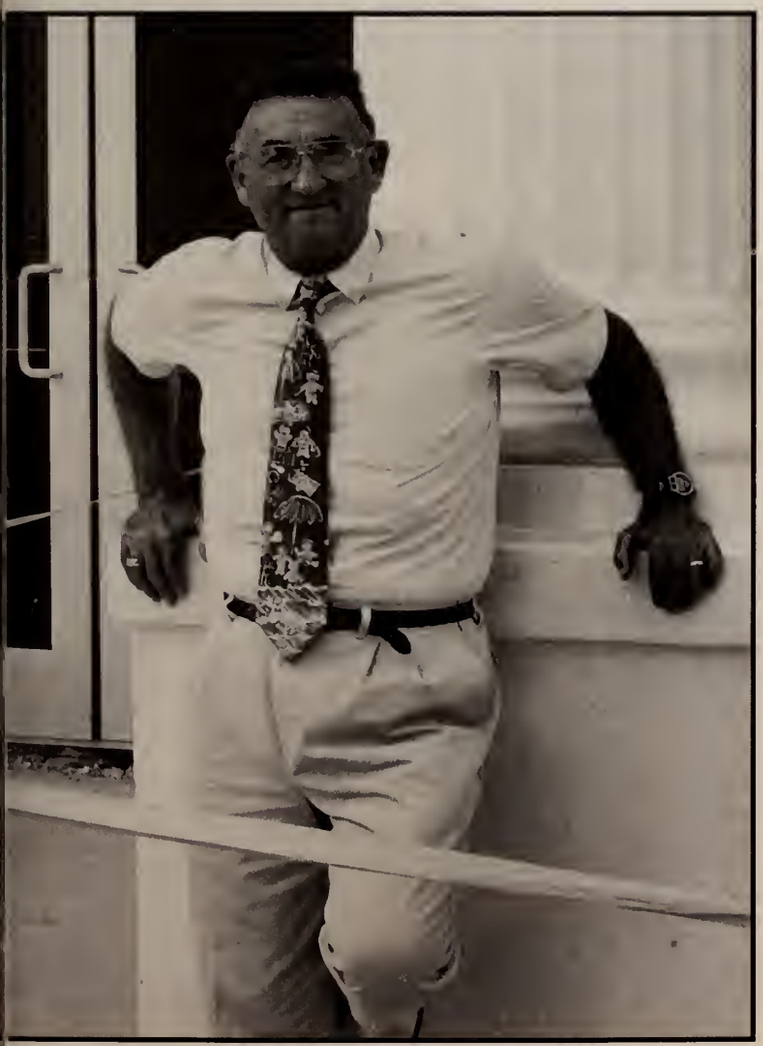
PRCC has undergone monumental changes this year. From the completion of the cafeteria to the new student center, Pearl River is definitely on the rise!



In case you haven't noticed, Pearl River is growing at an unbelievable rate. There are several new additions to our campus including the newly renovated Crosby Hall.



President Alexander stands proudly in front of the new student center.

A Christmas to Remember

To the right, "Santa" asked Dr. Alexander what he wanted for Christmas. Santa Claus was portrayed by Taylor Entrekin. Below, Tiffany Smith, a sophomore from Poplarville, lead the student body in singing Christmas carols.

Above, the River Navigators posed with the campus Christmas Tree after the lighting of the tree. The River Navigators sponsored the Christmas Celebration which was held in the college cafeteria. The cafeteria served a special Christmas dinner to all students—fried shrimp and steak. To the left, elf Danae Saliba handed out candy to good little boys and girls.

A PAWS for Faculty

Contents

At Pearl River, the faculty never forgets their key purpose — educating students. At many colleges, instructors must juggle heavy class loads and are often busy with research projects, which means their teaching duties are sometimes handed over to graduate assistants. At Pearl River, all academic instructors hold at least a master's degree and their only job is to work with students. The smaller student-to-teacher ratio means students get more individual attention here than at some larger schools. Instructors here are demanding; they expect a lot from their students. But they are understanding, caring, and helpful.

PRCC President, Dr. Ted J. Alexander.

Ted J. Alexander was named the ninth president of Pearl River Community College by the institution's Board of Trustees and resumed office July 1, 1986.

He received a B.A. degree from Milsaps College, Master of Education degree in education administration and guidance from Mississippi College, and a Doctor of Education degree from the University of Southern Mississippi.

To the far right, Dr. Alexander called for donations to bail him out of jail. He was participating in the "Jail Bail" to raise money for the Cancer Society. To the right, Dr. Alexander spoke at the Hour of Educational Accountability Meeting in Jackson.

Sports

The 1994-95 school year was an exciting and successful year in sports. The men's basketball Wildcats won the state championship 30 years after the last time the basketball Wildcats won a state championship. The Lady Wildcats won the Region 23 championship and advanced to the national tournament in Tyler, Texas. It was the first time a PRCC athletic team has advanced to a national tournament. The PRCC baseball team advanced to the Region 23 tournament and the football Wildcats recorded their 50th winning season in history with a 6-4 record. The PRCC golf team also won the region and state championships. Congratulations to all the athletes who made this year a success.

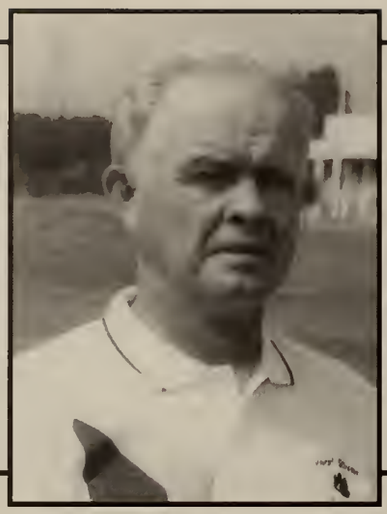
PRCC Coaches.



Willie Coats, Head Coach

Willie J. Coats completed his fourth year as Pearl River Community College's head football coach and athletic director.

Coats, who took over on June 1, 1991 to become PRCC's sixth coach since 1948, led the Wildcats to a second place South Division finish his first year and a perfect 10-0 regular season in 1992, and a second place tie in the south in 1993.

Coach Coats has won two out of every three games he has coached. His Hattiesburg High record is 49-27. His Pearl River ledger is 28-13.

Tony O'Brian Harris

Tony O'Brian Harris, a student coach under Jackie Sherrill at Mississippi State in 1992, started his second year as linebackers coach for the Wildcats. He joined the staff in early August 1993.

Harris graduated from Hazlewood High School in Town Creek, AL. He was a three-year letterman in football, basketball and track. He was Alabama's 1988 MVP in Division 1, 2, and 3.

Mike Humphreys

Mike Humphreys, PRCC's defensive coordinator, began his sixth year with the Wildcats.

Humphreys attended Pensacola, Fla., Catholic High School, where he played football and baseball. He played baseball on scholarship at Patrick Henry Junior College before transferring to the University of Florida, where he earned a bachelor's of science in physical education.

He has five years coaching experience in Florida High Schools, including two years at Pensacola and three at Woodham High. While serving as an assistant at Woodham, the team won the state quad-A-title in 1982 and was runner-up in 1985.

Humphreys served two years as an assistant at Nichols State University before coming to PRCC. He earned his master's in administration at Nicholls.

Mike, hired by former head coach Mike Nelson, has been at PRCC longer than any other Wildcat football coach.

Trainers and Managers

Steve Kelly

Steve Kelly began his second year as defensive line coach for the Wildcats.

Kelly, 39, an All-American honorable mention player for 1973 Wildcats, graduated from Hattiesburg High in 1972.

In high school, he was chosen All-Big Eight and his team's permanent team captain.

At PRCC, Kelly played guard and linebacker for the 1972 Wildcat team, which posted a 9-1 record, and the 1973 team which was 9-1-1. The 1973 team won the South Division, but lost the state championship 21-17 to Mississippi Delta.

In addition to the All-American status at PRCC, he was chosen class favorite and Outstanding College Athlete of America.

After graduating from PRCC in 1974, Kelly attended the University of Southern Mississippi and came within six hours of graduating. A business outside of football sidelined Kelly for almost 15 years.

Taylor Morton

Taylor Morton, who is working on his master's degree at USM, joined the Wildcats coaching staff right before the 1993 season began. He started his second year as coach of the wide-receivers.

Morton, a three year letterman in football and track and a member of Florida's Niceville High School 1988 state championship team, signed a football scholarship with Hinds Community College in 1989. Early in his freshman year, however, he suffered a career-ending injury which required major surgery.

Morton worked at USM for three years with Coach Jeff Bowden and the wide receivers. During past summers he assisted the USM coaching staff with the Jeff Bower Football Camp. He recently earned his undergraduate degree and last summer he worked the Bowden family quarterback and receiver camp at Auburn University.

Terry Underwood

Terry Underwood, PRCC's offensive line coach began his third year with the Wildcats. Underwood coached the defensive line during his first year here.

Underwood is a member of the 1979 JCJC state championship team, the 1980 runner-up team, and was a class favorite and Mr. JCJC.

From 1984-91, Underwood served as assistant football coach to Coats at Hattiesburg High. He also served as assistant track coach, strength coach and drivers education and health instructor. He coached the offensive line and special teams for Hattiesburg. He transferred to Jones after Coats was named head coach at PRCC in June 1991.

Underwood played high school football in Seminary. He was an offensive guard and tackle for the Jones Bobcats. At JCJC, he was a Golden Key award winner and Mississippi Junior College Shot Put Champion. He finished 12th in the National Junior College Shot Put trials.

The PRCC coach transferred from Jones to Delta State, where he played tackle his junior year and guard his senior year. He was also the MVP in track, and was team captain. He was Gulf South Conference Shot Put Champion and was named Who's Who Among American College Students.

He is married to the former Carrie Masengale of Collins and they have three children, two sons and a daughter.

"A lot of people wrote us off. But we never stopped believing"
—Polly Kirkland

Kirkland Profile

Kirkland is beginning her seventh year as head coach of the PRCC Lady Wildcats' basketball team.

Kirkland, a two-time coach in the Mississippi Junior College All-Star game, played basketball at the University of Southern Mississippi and Delta State University.

Kirkland served as graduate assistant at the University of Southern Mississippi and she is an honor graduate of Horn Lake High School.

She has a major in math education and physical education from USM, as well as a master's degree in physical education and athletic administration.

In addition to her coaching duties at Pearl River College, Kirkland also teaches math. Coaching on a junior/community college level has been a desire of Kirkland's for much of her coaching career.

"It has been my long-term goal to coach on the college level," she said. "When this opportunity came open, it was a step up for me. It's where I want to be."

Below, PRCC Sports Information Director Larry Stanford and his assistant Larry McPhail interviewed Elaine Powell on WLUN FM as PRCC President Dr. Ted Alexander (right) and Coach Polly Kirkland (left) looked on.

To the left, the scoreboard told it all as the Wildcat cheerleaders celebrated the Region 23 Championship victory.

Mathis Profile

Richard Mathis, started his fourth year as Pearl River Community College head basketball coach.

Mathis, 47, has amassed an overall record of 309 victories and 119 losses, covering coaching stints at East Mississippi Community College in Booneville and Jacksonville State University in Jacksonville, Alabama, and here at Pearl River.

His college teams, which include both men and women units, have averaged more than 20 wins per year. In 1978 he was honored as NJCAA Region VII Coach of the Year after guiding the East Mississippi Lady Lions to a 31-1 record on the way to a state title and national runner-up finish in the NJCAA playoffs.

As men's coach at Northeast, he won a state championship, three North Division crowns, and had four consecutive state and NJCAA regional tournament appearances. He also took the Jacksonville State women's team to its first-ever NCAA Tournament.

At Mississippi State, Mathis handled scheduling, scouting, academic advisement and on-the-floor coaching for Bulldog head coach Richard Williams.

Earning both his bachelor's and master's degrees from the University of Southern Mississippi, the 1969 USM graduate is a former two-year basketball letterman for the Golden Eagles.

The PRCC coach was voted Gulf South Coach of the Year in 1988, and was Mississippi's Association Coaches Men's Coach of the Year in 1982.

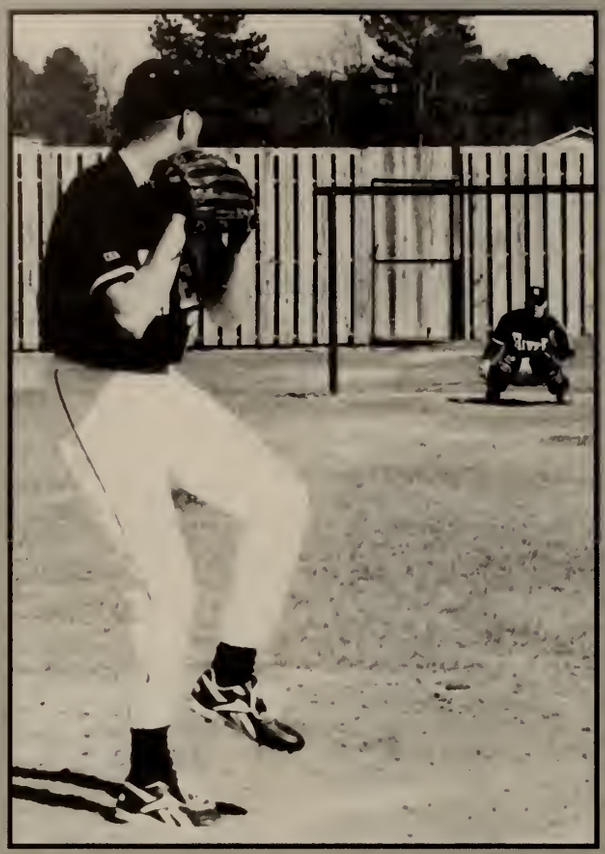
Wildcats Claw Their Way To Region 23



To the right, Kevin McClendon warmed up in the bull pen. To the far right, Eric Neel, a freshman from Lumberton, took command on the mound.

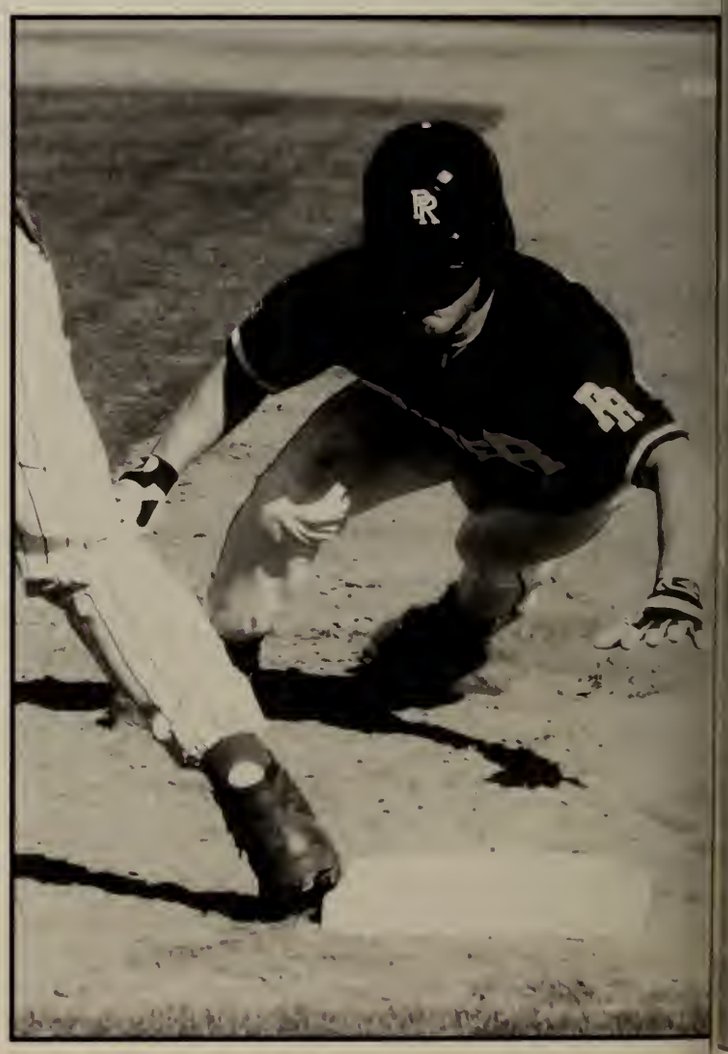
Above, Adam Breerwood, a sophomore from Waveland, beat the ball to the bag. To the right, Ryan Hackworth, a freshman from West Monroe, LA sprinted toward third base.

To the left, Bert White a sophomore from Lumberton, released a fast ball toward home plate. Below, Bryan Pierce, a freshman from Petal, hustled toward home plate.

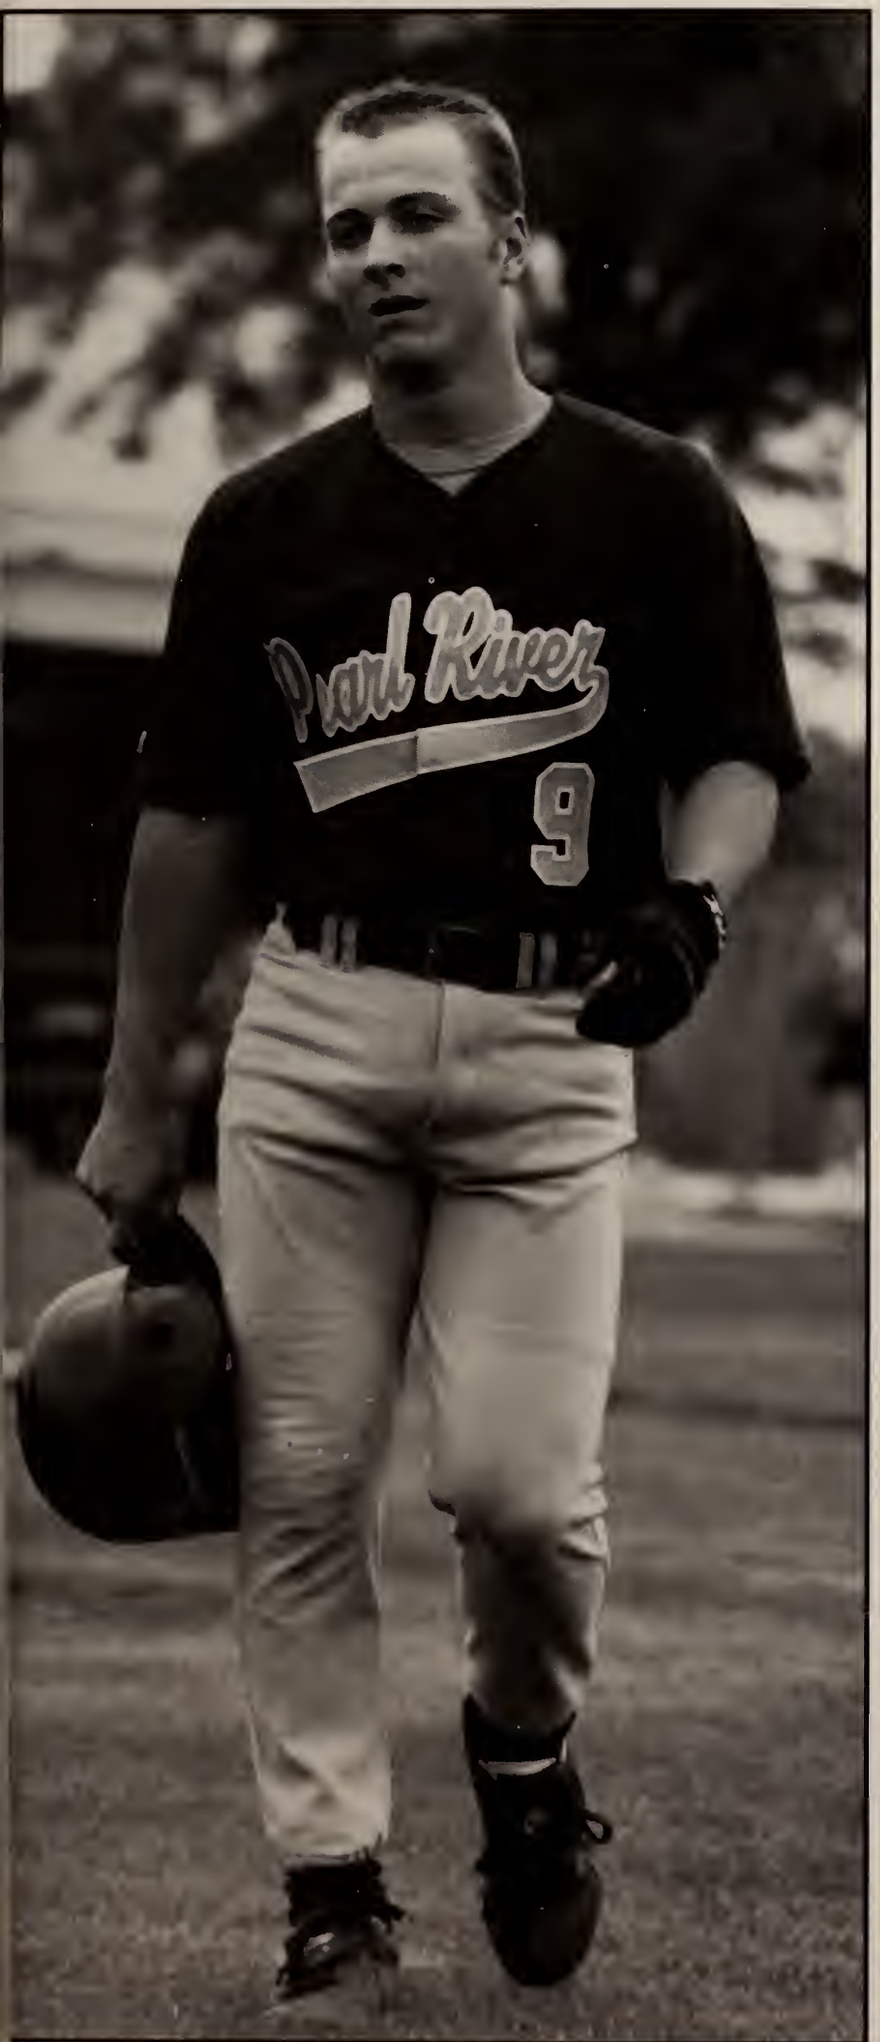
To the left, David Entriken, #27 a freshman from Lumberton, advanced to second base after a wild throw.

Wildcats Made Comeback in 1995

To the right, a Wildcat fired at first base.



Above, Kevin McLendon, rounded third base on his way to home plate. To the right, Scotty Hartfield, a sophomore from Hattiesburg, dove back to first base. On the opposite page, Cody Guidry, made his way back to the dug out after grounding out.



Coach Jim Nightengale

James H. Nightengale, a former assistant at William Carey College, completed his eighth year at the helm of Pearl River's baseball program.

A Long Beach native, Nightengale was an all-star baseball and football player in high school, earning all-conference honors in both sports from his sophomore to senior years.

At Gulf Coast Junior College, he was a first-team All-American baseball player as a sophomore. He was also the quarterback for the Bulldog football team. He played his last game here against Pearl River, breaking his hand in the 1981 Homecoming game, and missing the rest of the season. PRCC won the game 14-10.

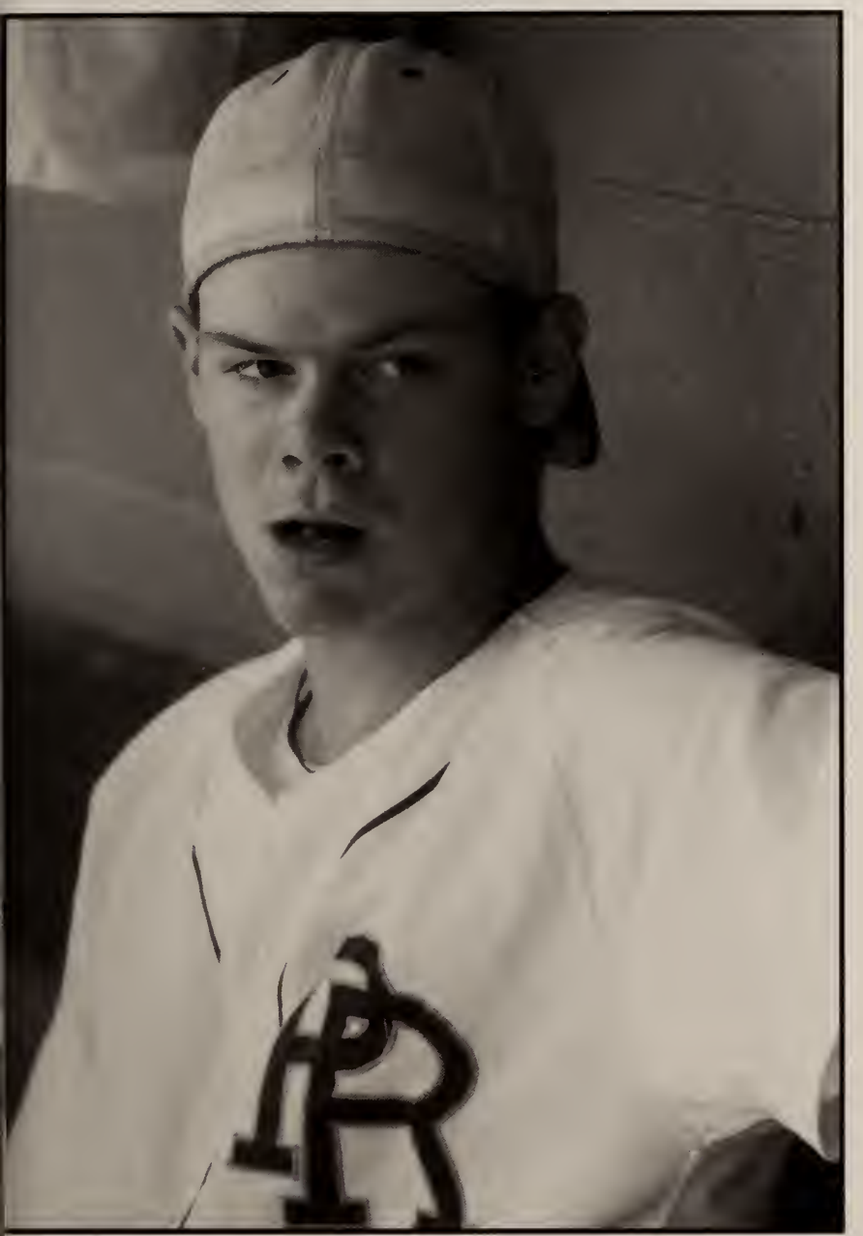
As a William Carey Crusader, Nightengale was an all-district player when the squad took the District 30 Championship in 1983 and '84.

While at Carey, he received his bachelor of science degree, as well as a masters in education and social science.

Nightengale became an assistant to Carey's coach Bobby Halford in 1985.

Baseball Action

At right, a Wildcat beat the toss back to second base after leading off the bag during a game on the Pearl River diamond on campus. Below, a Pearl River batter just missed the connection on a fast ball. If you look closely, you can see the ball wrapped in the catcher's mitt. The good news was that this same batter sent the ball screaming to the fence on the next pitch.



Wildcat pitcher Bert White assessed the situation while taking a break as Pearl River took up the offensive at the plate. White, a sophomore from Lumberton, gave the Wildcats numerous outstanding performances on the mound during the 1994-95 season.

PRCC head baseball coach Jim Nightengale issued commands from the coaches box near third base. And a Wildcat base runner wasn't sure if he had a clear shot to third base.

A Championship Time

Above are PRCC golf champions Coby Scarborough, Trent Brady, Coach Mike Humphreys, Brandon Stewart, and Davy Ogeron.

Golf Coach Mike Humphreys

To the left, PRCC Board of Trustees Chairman Walt Cartier recognizes golf team member Coby Scarborough and Coach Mike Humphreys. Below, Mr. Cartier congratulates Davy Ogeron and Scarborough at a meeting of the Board of Trustees.

The Golf Team won the 1995 Division Three State and National Region 23 titles. PRCC recorded a 651 team total. Coach Humphreys was named Division Three Coach of the Year, and Picayune sophomore Brandon Stewart was named to the All-State and All-Region 23 teams. Stewart advanced to the National Community College Tournament. He led the Wildcat team to a second place finish last year and competed in the national tournament.

Scarborough shot 83-81 for a 164 total. Ogeron recorded an 86-81 for a 167 total, and Jason Knipper of Picayune fired a 168 (82-86). Trent Brady shot 91-81 for a two day total of 172.

1995 Softball Team

Pearl River's women's softball coach Polly Kirkland instructed Beth Bansbach (no. 12) to head for home plate for the score. Kirkland had just completed a successful year as head coach of the PRCC Lady Wildcats basketball team before kicking off the softball season.

At the top, Lady Wildcats took a breather in the dugout as they got ready to bat.

Pearl River Wins Big!!!

Pearl River Community College's Wildcat Cheerleaders captured overall first place in fight song, third in cheer, and won the leadership award at the Universal Cheerleaders Association camp at the University of Alabama in Tuscaloosa. The cheerleaders won in Division III, which includes small four-year colleges and community colleges from around the southeast United States. Captain Layle Knight and Patricia Taylor were selected to try out as instructors for the Universal Cheerleaders Association.

1994-1995 Spirit of

Band Director

Archie Rawls

At the beginning of the 1994 fall semester, Archie Rawls entered his 15th year as Director of Bands and Chairman of the Department of Music at Pearl River Community College. During his tenure, both the band and music programs have doubled in enrollment and earned high praise and recognition from area professionals.

In addition to his duties as Chairman, Archie Rawls also teaches courses in Music Appreciation and Music Theory. Under his direction, the Music Theory program at Pearl River has grown into one of the most highly regarded Junior/Community College programs in the state of Mississippi, offering training in formal theory, sight singing, ear training and musical dictation. He also teaches applied woodwinds, a field in which he has over 16 years of experience.

Rawls is married to the former Francis Necaise who is Coordinator/Manager of the Textbook Center at Pearl River Community College. They have a daughter, Jennifer, 14, and a son, Stephen, 11.

Assistant Band Director

Kyle Hill

Kyle Hill currently serves as Director of Percussion Studies and Associate Director of Bands at Pearl River Community College. Since joining the faculty in 1992, the percussion studio has grown from two majors in 1992 to nine majors in 1994. The marching drumline has also doubled in size and was hailed as the premier community college line in the state of Mississippi in 1994.

Hill is married to the former Debby Harris, who is Director of Undergraduate Studies for the College of Business of The University of Southern Mississippi. They have a son, Austin, 4, and a daughter, Melody, 1.

People, faces, smiles . . . all made the River a great experience for us all. Some of us were sophomores who moved on to universities or took our place in the world's workforce. Some of us were freshmen who looked forward to another year at Pearl River Community College. But, we all took our place here — at the River — to learn and grow. We shared classes, dorm rooms, experiences and the knowledge we gained while studying at Mississippi's first, Mississippi's finest community college — Pearl River Community College.

A PAWS for Spring

Contents

As Spring arrived, so did many end-of-school honors and activities. First, there were those of us who were recognized for outstanding scholastic achievement and extracurricular activity. Many students were nominated as Who's Who Among American Community Colleges. Then there was the Spring Awards Ceremony in Moody Hall Auditorium. Many outstanding students were recognized for their achievements in specific subjects. And for those moving on beyond the banks of the River, there was PRCC's Commencement Ceremonies. Graduates of the Associate Degree Nursing program received their pins. Academic graduates received their Associate in Arts degrees, while vocational-technical graduates received their Associate in Applied Science degrees and Certificate of Proficiency.

1994-95 Who's Who

A total of 63 students from Pearl River Community College were selected Who Who's Among American Community and Junior College Students for 1994-95.

The Who's Who program recognizes second-year outstanding students in junior and community colleges throughout the nation. These students are nominated by faculty members from PRCC's academic, technical and vocational departments. The final selection is made by a faculty committee from each of these departments on the Poplarville and Hattiesburg campuses.

Students are nominated and evaluated based on scholastics, service to the community, leadership in extracurricular activities, and future potential.

"The students selected for this honor are to be congratulated on their outstanding accomplishments and the contributions made as students while attending our college," said Dr. Miller Hammill, PRCC dean of student affairs. Hammill serves as coordinator of the Who's Who program at PRCC.

The Wildcat

A PAWS for Names

At Pearl River, we learned that students are more than just a name and a number. We were treated as individuals with individual needs. Instructors, counselors, administrators and others at Pearl River have touched our lives and helped us grow as individuals to reach our full potential. It has been one of the most exciting and rewarding times of our lives. And one of the nicest experiences we have all had as students is making new friends, the kind that will last a lifetime. These students, graduates from other high schools and students from others states, have enriched our lives and broadened our horizons. The vision at Pearl River is to the future—our future. We learned that every member of the faculty, staff and administration worked hard to maintain a place as one of the nation's leaders in community college education. Life at Pearl River was exciting, challenging and rewarding, because Pearl River is always pursuing the vision of excellence.
